Class A Voting Member – Canadian Medical Mask Manufacturers

Organizations must identify one member who will be the main contact and be entitled to voting privileges for the organization (CAMMM's by-laws state that each organization is entitled to only one vote). In addition to voting privileges, the Class A member is entitled to all benefits and privileges.

Class B Non-Voting Member – Affiliates

With the exception of voting privileges, Class B members are entitled to all the benefits of membership. Class B memberships include all sectors that support Canadian medical mask manufacturers including materials suppliers, distributors, retail, medical, related corporations and government. A Canadian Medical Mask Manufacturer may also hold multiple Class B memberships in addition to the single Class A voting member.

NOTE: Memberships expire on December 31 of each year. Memberships are non-refundable and non-transferable.

By joining the Canadian Association of Medical Mask Manufacturers membership, expressed consent is implied for CAMMM to contact you via e-mail, in addition to other means available. You may opt out from receiving electronic commercial messages at any time by selecting the unsubscribe option on future messages.
